

## Fanfakids!

Fanfakids is a dozen of youngsters (between 9 and 14 years of age) who transform their youthful energy in an explosive concoction of raï, maracatu or hip-hop. This is the metropolitan music mix that they grew up with in their headquarters (Brussels' Community Centre 'Centrum West') and that they can unleash anytime anywhere. No poses, no fake, honest and energetic, right in your face!

They beat the hell out of bass drums, self-made PVC-bins, Brazilian tambourines, African bells and Moroccan nfars. Despite their age, they have already performed in numerous venues over the globe. Their sheer enthusiasm guarantees a smile on many faces in the audience. They celebrated their tenth anniversary and during the past years they have developed a strong relationship with different drum and dance groups in Ghana and Guinea. In 2011 they spent a month in Ghana for master classes. Fanfakids put fun back in music!

### **Production: MET-X & Centrum West**

*MET-X is a house for and from musicians. We transform sounds from the belly of the city into a unique musical universe. In close collaboration with enthusiastic artists coming from the most different horizons we manufacture the creative elements in order to form bands, events and educational processes.*

*Our acoustic universe is closely linked to that of the steaming capital: sometimes loud, sometimes soft, sometimes beautiful, sometimes ugly. Never smooth. Always exciting.*

*Moving music. Music that moves.*
